Figure 1b shows a horizontal axis with tick marks. The label 'b' is at the left end, and 'c' is at the right end. There are several vertical lines of varying heights above the axis, representing a distribution or data points.

Figure 1b shows a horizontal axis with tick marks. The label 'b' is at the left end, and 'c' is at the right end. There are several vertical lines of varying heights above the axis, representing a distribution or data points.

Figure 1b shows a horizontal axis with tick marks. The label 'b' is at the left end, and 'c' is at the right end. There are several major tick marks along the axis, with smaller tick marks in between.

Figure 1b shows a horizontal axis with tick marks. The label 'b' is at the left end, and 'c' is at the right end. The axis is divided into segments by vertical lines, with the segments between 'b' and 'c' being smaller than the segments outside this range.
